

YEAR 3

NEWSLETTER

TERM 4

Upcoming Learning

English

In English, we will be studying 'The Promise' by Nicola Davies. We will be looking at different genres/styles of writing and applying key features to our own writing. We will continue to look at different areas of SPaG (Spelling, Punctuation and Grammar) each week and ensure these are always applied in our writing.

Maths

We will be starting to look at fractions and understanding the key vocabulary of numerator, denominator and equal parts. We will then look at mass and capacity in the final weeks..

Curriculum

In history, we will be learning about the Romans. We will cover the establishment of the Roman Empire, and Roman inventions. In geography, we will be learning about the major mountain ranges in Europe. Then exploring and comparing different transport systems both in cities and worldwide.

In science we will be looking at physics and light.

PE

This term we will be going swimming on a Wednesday and have Outdoor PE on Thursday afternoon.. Please ensure you wear your PE kit/bring swimming equipment to school on these days.

Earrings are not to be worn during PE

Welcome back!

We hope you had a lovely half term break!

Mr Franklin is excited to continue teaching in Flamingos on Monday, Tuesday and Friday.

As always, any questions or queries, please speak directly to your class teacher.

Miss Staven, Mrs Stone and Mr Franklin

Reminders

-Homework will be set on a Friday and due back on Wednesday.

- Please remind your child that it is their responsibility to change their reading book We will continue to remind them here too!

- Please continue to encourage children with reading, homework, TTRS and Spelling Shed as these will have a great impact on their learning.
